### (Weekly Format)

#### Description:

Your students will love learning 365 challenging vocabulary words with our new Word-A-Day Format.

Teachers can easily share daily words with one click on our Word-A-Day social media buttons. Go to: Word-A-Day and select your grade and start posting new words for your students to learn, practice and start a Word-A-Day journal.

All our grade leveled words include a definition, synonyms and an example sentence. Students are provided 7 words per week and encouraged to not only learn the word but also use the word in their own sentence on the right side of the page. Through practical application, your students will turn our vocabulary words into life words.
